General Index 1984

48 in diameter pipeline storage – a planner's view: R. J. McGowan 83
121st Annual General Meeting 303
49th Autumn Meeting 12
Arthur Clement Hovey Education Award . . 245
Aspects of mainlaying construction – with reference to the new edition of TD/3: V. F. R. Gianferrari . 243

Birthday Honours 1984 254

Construction in British Gas: C. H. Brown . . . 51
Correspondence . . 49, 177, 253, 314, 353, 354

Decommissioning LNG inground storage at Canvey: L. Hearfield 219
Digital mapping in Segas: D. Cross and C. N. Branch 395
Distribution cares: M. W. Markham, A. K. Buxton and D. Turney 155
Distribution operations and systems in North America: B. J. Kicks and G. S. Francis . . . 13
District Section and Gas Association Programmes 403

Eastern Counties Gas Association 31
Environmental Digest 171, 282
The ERS development programme and its influence on BGC distribution operations: E. G. Tasker . 3
Export update – the SBGI approach: R. G. Bartlett, D. C. Cummins and R. W. Sinden 407

From floating bells to terminals: G. Huckerby 229

Gascopact – a new approach to pipe and cable location: A. S. Blears and D. J. Daniels . . . 139
Gas distribution engineering – the next steps: I. Ashcroft 170
Graphics in network: I. S. Phipps 287
Ground probing radar: D. J. Daniels 111

Hazardous area analysis – a design office viewpoint: P. W. Brown 309

Information technology – towards 1990: A. C. Collins 149
International collaboration on industrial and commercial gas utilisation: J. Thurley 417
International gas distribution research and development: D. Needham 325

A layman's guide to telecommunications: J. Roberts 101
The life and times of William Murdock: J. A. Keith 108

Manchester District Junior Gas Association 154, 177, 246
Membership changes 50, 138, 178, 293
Meters – the gas man's secret weapon: O. K. Smyth 363
Midland Junior Gas Association 68, 205
Monuments to gas: J. B. Horne 226

The national transmission system – its management: W. P. Jones and D. A. Prior 179
A new era in gas metering applying telemetry techniques to read meters and provide an energy management system: N. R. Chapman, L. H. C. Crowther and M. W. Herrick 125
The new housing challenge – the reality: D. T. Heslop and A. D. Sussex 379
New Ordinary Members of Council 256
New publications 136
New Year Honours 1
New Year Message from the President 2
North of England Gas Association 301

Obituary 137, 372
Officers and Council of the Institution of Gas Engineers 1984–85 257
One step beyond – from information technology to knowledge systems in the 1990s: F. F. Robb . . 266
Opportunities for skill – the management of the national transmission system: R. F. Francis . . 206
Overseas abstracts 351, 372

People 107, 254
Pigs and pigging techniques: R. N. Squire . . . 69
Preparing for the SNG era: D. J. Maunder . . 193
President 1984–85 254
Presidential Address: R. Tweddle 259
President's Hong Kong visit 97
A private view of the gas industry: R. Tweddle . . 98
Promoting technical innovation in industry: H. D. Atkins, M. L. Hoggarth and R. J. Webb . . 431

Quality and standards in the public and private sectors: G. Percival and A. McDiarmid . . . 343

R & D as part of the business: G. S. Cribb . . 247
Recent developments in the transmission and distribution of natural gas in the United Kingdom: J. McHugh 355
Reinstatement – a model approach: D. Bolton . . 33
The role of the Institution of Gas Engineers today: D. C. Elgin 117

SBGI Silver Medal Awards 1984 218
Second T. V. Garrud Award 257
Sliplining a 42 in cast iron gas main at Southport using an 800 mm PE pressure pipe: G. P. Marshall . . 315

Valve noise research: A. Moore 295
Vice-President 1984–86 254
Vires Servire: G. F. I. Roberts 373

What's in a peak day? W. D. Rodger 269
